

## Accreditation of prior and experiential learning (APEL)

Applications for SHC membership for those who have not completed a course that of itself meets the SHC requirements for membership. Prospective members must attend one of the Foundation training weekends. These stipulations are imperative to uphold the membership standards aligned with the UK Healers and CNHC regulations.

Please familiarise yourself with the SHC Code of Conduct and Healing and the Law resources available on the Resources page of the website.

### Part One

- (i) How would you define Shamanic Healing?
- (ii) How would you define Shamanic Healing to a client?
- (iii) How do you look after your own health and well-being?
- (iv) List the legislation that is relevant to Healers?
- (v) Describe what you understand by professional behaviour?
- (vi) Describe how you develop and nurture your self-awareness and connection to healing?

### Part Two

Please detail healing ceremonies you have learnt during your training and CPD activities:

- (i) Please list any relevant qualifications, including where received, no. of hours study per course and dates taken. Include copies of certificates of attendance or certificates demonstrating courses and qualifications undertaken.
- (ii) Please list relevant events, courses and workshops you have attended in the last three years in order to show your Continuous Professional Development and /or describe how you have nurtured and developed your knowledge of Healing.

### Part Three

Provide a recent client case study. You may describe one or more sessions, but your evaluation must demonstrate your self reflection and understanding of the professional standards associated with Shamanic Healing and in accordance to the SHC description of Shamanic Healing. It should comprise no more than 2,000 words and reflect the outcomes outlined in the Shamanic Healing Core curriculum.

## Part Four
